

## Dirty Girl

Eels

I like a girl with a dirty mouth  
Someone that I can believe  
We had a window, not open too long  
But that time is good and gone

And if I ever see her again  
Just walking by with some new guy  
I know that we will need to pretend  
And hope our eyes keep telling lies

Sit on the back porch and wonder 'bout her  
What is she doing right now?  
Making somebody a happier man  
Dying her hair back to brown

Once in a while your life gets so good  
Worth all the trouble of the past  
That was the case but I think I always knew  
Good things don't ever last

And if I ever see her again  
Just walking by with some new guy  
I know that we will need to pretend  
And hope our eyes keep telling lies

I like a girl with a dirty mouth  
Know that I can trust her  
We had our time but it didn't last too long  
And that time is good and gone  
That time is good and gone  
That time is good and gone
