

## E's Tune

Eels

Have two eyes  
But i cannot see  
I have a heart  
But i cannot feel anything  
Don't give up now  
I'm almost there

I got a mouth  
But it doesn't say  
The things i want it to say today  
Anyway  
Don't give up now  
I'm almost there

Life's just an ugly mess  
The angry souls in such distress  
Still there is a time when moments can be sweet  
And it feels like someone's smiling down on me

Sometimes it feels like i'm all alone  
Most of the time actually  
I am alone  
That's alright  
Don't give up now  
I'm almost there

If I had a million bucks it wouldn't matter  
'cause my soul is always  
Climbing a ladder  
Oh i know  
Don't give up now  
I'm almost there

Alright
