

## For You

Eels

Where do you go when  
The day is done  
But you are not?  
You look for a friend, but  
Maybe I'm  
All you got

Hard to pretend that I've always been here  
Ready to be your man

And I heard sounds  
Comin' through  
The bedroom wall  
Somebody cryin'  
Echoin'  
Down the hall

Never knew what it is to be a man  
But now I know that I can

It's all here for you  
It's all here for you

And when you need me  
You know that I'm  
Always here  
It's not gonna be like  
It ever was  
Before, my dear

Hard to believe the dyin' words of a lyin' man  
But that's not me  
Here I am

It's all here for you  
It's all here for you
