

I Know You're Right

Eels

Sometimes I know I don't shut up
When I probably should
I could get out of it all
While the going was good

You made your point, a very good point
And now it's all on me

I know you're right
And baby I am wrong
I know you're right, baby
I can be that strong, when I'm wrong, I'm wrong

Swear I don't know what is wrong with me
The way I get some times
Why is it so hard to see?
I don't need to change your mind

You're so smart, you've got a big heart
And you put up with me

I know you're right
And baby I am wrong
I know you're right, baby
I can be that strong, when I'm wrong, I'm wrong
And I'm so wrong

Please accept my apology
I'm so glad you're here
To keep me straight, with love and not hate
I always want you near

I know you're right
And baby I am wrong
I know you're right, baby
I can be that strong, when I'm wrong, I'm wrong
And I can be so wrong
I know you're right
I know you're right
I know you're right
I'm a goddamn fool
