Man Up

Eels

In my heart of hearts I know it well
Been giving myself the soft sell
Anyone can see that i've been running away
Not facing the day that's here

It's time to man up
I'm man enough
It's time to man up
I'm man enough
I'm man enough for you
It's time to man up

The phone is off, the blinds are down
Me and my heart are out of town
The sign is hammered up
Do not disturb
Don't say another word to me

It's time to man up
I'm man enough
I'm man enough for you
It's time to man up
I'm man enough
I'm man enough for you
It's time to man up

In my heart of hearts I know it well
I hit the ground hard when I fell
Not licking wounds but more like sewing them up
Man it was rough for me

But it's time to man up
I'm man enough
I'm man enough for you
It's time to man up
I'm man enough
I'm man enough for you
It's time to man up
