

## Manchild

Eels

And every time you crave for me i'm here  
And anything you hunger for i'll share  
And i will be quietly standing by  
While slowly i am dying inside

Hold me in your arms  
And let me be the one  
Who can feel like i am a child in love

Every time i talk to you you're down  
And every time you need a laugh i'm around  
And when you forget i'm here i'm not  
It isn't really me that you forgot

Hold me in your arms  
And let me be the one  
Who can feel like i am a child in love

Whisper now and tell me how  
You'll watch me and tell me  
Somehow i'm gonna be alright
