

## Mr. E's Beautiful Blues

Eels

The smokestack spitting black soot into the sooty sky  
The load on the road brings a tear to the indian's eye  
The elephant won't forget what it's like inside his cage  
The ringmaster's telecaster sings on an empty stage

Goddamn right it's a beautiful day  
Goddamn right it's a beautiful day

The girl with the curls and the sweet pink ribbon in her hair  
She's crawling out her window 'cause her daddy  
He just don't care  
Come on

Goddamn right it's a beautiful day  
Goddamn right it's a beautiful day

The clown with the frown driving down to the sidewalk fair  
Finger on the trigger let me tell you gave us quite a scare

Goddamn right it's a beautiful day  
Goddamn right it's a beautiful day

The kids flip their lids when their ids hear that crazy sound  
My neighbor digs the flavor still he's moving to another town  
And I don't believe he'll come back

Goddamn right it's a beautiful day  
Goddamn right it's a beautiful day

Well i don't know how you take in all the shit you see  
No don't believe anyone and most of all  
Don't believe me  
Believe you

Goddamn right it's a beautiful day  
Goddamn right it's a beautiful day
