

So Anyway

Eels

So anyway, I was gonna say
Don't know what I'm gonna do if you're not here
You'll always be so dear to me
I would be so lost so please don't disappear

Here today but I like it that way
There's a little bit of you in all I do
The day goes by right into night
And another day that always feels so numb

So anyway, I just meant to say
Don't know how I would get by without you near
Sweet as time, where do I start
To let you know how glad I am you're near?
