

## Some Friend

Eels

Loyalty is easy when you're king  
Doesn't matter who's around to bring

Some friend you turned out to be  
Looking cool but anyone can see  
That you don't know where you're going to  
But I have some idea

Kowtow to everybody's whims  
That's what'll finally do you in

Some friend you turned out to be  
Looking cool but anyone can see  
That you don't know where you're going to  
But I have some idea

Sorry but I've got a train to catch  
Gonna leave you and your schemes to hatch

Some friend you turned out to be  
Looking cool but anyone can see  
That you don't know where you're going to  
But I have some idea
