

## That's Not Really Funny

Eels

Did you think that i would laugh  
When you said i was small?  
Did you think that that would pass  
As if nothing at all?  
You say a lot of funny things, my little bunny  
And i almost always laugh  
But that's not really funny

You play the little bells and tell a good story  
You bake delicious pie and that's enough for me  
But i am big i am your man  
And you're my little honey  
And i like what you have to say  
But that's not really funny

You must not continue to emasculate me  
The neighbor children through the window  
Clearly see  
The little boy will wipe his nose because it's runny  
Then point at me and laugh  
But that's not really funny
