

## Where I'm From

Eels

Three Ghosts and I, sittin' on the couch last night  
Catchin' up on all the time  
It's been a while, since we got together and  
You know that it's often on my mind

So long ago, I left it in the dust, well I was so young and dumb  
Ran far away, but I have to admit, sometimes I miss where I'm from

Let's have a drink, to everything that we went through  
It wasn't always so bad  
We can't forget, each other's company  
And all of the goodtimes we had

So long ago, I left it in the dust, well I was so young and dumb  
Ran far away, but I have to admit, sometimes I miss where I'm from

Three ghosts and I, sittin' on the couch last night  
Catchin' up on all the time  
It's been a while, since we got together and  
You know that it's often on my mind

So long ago, I left it in the dust, well I was so young and dumb  
Ran far away, but I have to admit, sometimes I miss where I'm from
