

BIG BAG

Eem Triplin

Rock, pop, make a nigga doo wop
I put that crack in my sock
I piss on all of my opps
I'm just gon' jump from the top
You go broke nigga I'm not
This real life never gon' stop
I bring the heat it's too hot woah
Big bag

All my niggas need a big bag
Big mad cause that nine to five lookin big sad
Demon time, swerving in the whip, foreign
Basic bitch looking at me, boring
