

CRAZY H*ES

Eem Triplin

(Hahaha)

You gon' win or fall again, racin' for your heart again
Thought I had your love but you just breakin' down my heart again
Fightin' and we arguin', rippin' up my cardigan
Break up then we make up, take you shoppin', use my card again
She tryna find out where I'm at and what kinda car I'm in
She gon' try and kill my bitch and any girl I'm rockin' in
Yeah, I tried to cut her off but she gon' keep on stoppin' it (Damn)
Then I think I got a stalker, don't wanna see this ho again
Done with crazy hoes, leave 'em for the gang
She can't get a ring, bitch must be insane
I was out in PA, coolin' in the rain
Whe-when I'm out in PA, bitch, I got my thing
Strapped up like a cop for the f*ckin' opps
.30 in the Glock (Fire), beatin' down the block
Smith & Wesson chop suey like we finna rock
Rockin' Louis 'til they sue me, I can never stop
(Hahaha)

You gon' win or fall again (Yeah, yeah), racin' for your heart again (Yeah, yeah)
Thought I had your love but you just breakin' down my heart again
Fightin' and we arguin' (Uh), rippin' up my cardigan (My car)
Break up then we make up, take you shoppin', use my card again
She tryna find out where I'm at and what kinda car I'm in
She gon' try and kill my bitch and any girl I'm rockin' in
Yeah, I tried to cut her off but she gon' keep on stoppin' it (Damn)
Man, I think I got a stalker, don't wanna see this ho again (Damn)
(Hahaha)

Not you sayin' chill like I be doin crazy ass shit, I'm like the least crazy
of all your girls, probably, talking about chill
But, I'm telling you right now, Eem, that's how you make a bitch go crazy, t
elling a crazy bitch to chill?
Like the moment a nigga say chill it just makes me want to, ahh, pull up, "I
'm on my way", f*ck is you sayin'?
Hold up, here we go again
Arguments in public, they lookin' like, "f*ck is wrong with them?"
I tell you to chill, you don't chill, keep on goin' then
Block me on your Twitter, your Insta', finsta
Your Gmail and Facebook Messenger, I don't even go on that (The f*ck?)
Sayin' you gon' get your brother, bitch, then bring him then (It's up)
All this drama knowin' you wanna see me again (Uh-uh)
You learned this shit from all your friends, I don't agree with them (At all
)
I had to cut off every toxic ho, no need for them

You gon' win or fall again (Yeah, yeah), racin' for your heart again (Yeah, yeah)
Thought I had your love but you just breakin' down my heart again
Fightin' and we arguin' (Uh), rippin' up my cardigan (My car)
Break up then we make up, take you shoppin', use my card again
She tryna find out where I'm at and what kinda car I'm in
She gon' try and kill my bitch and any girl I'm rockin' in
Yeah, I tried to cut her off but she gon' keep on stoppin' it (Damn)
Man, I think I got a stalker, don't wanna see this ho again (Damn)

(Hahaha)
