

# Harmonics

Efterklang

When you keep alive  
What your hands won't find  
Let the bird into it's cage  
And you're so right  
When it's paralyzed  
Let the water feel the motions

They were shy  
Like a broken child  
Save yourself some money while you can  
Let it by  
With an open home  
They want the courage of those blind  
Cause you're so right  
When they're running its wild  
Let the water fill it in  
Go, fill it in  
They will fight  
But they'll never win

Shout

Cause they're real  
They will fight  
But they'll never win

Keep your head high  
And the money aside  
Let them walk and set it free  
'Cause you're so right  
When they're running it's wild  
Let them walk and set it free

Da, da da da da, da  
Mm, hmm  
Mmm, mmm

Keep your head tight  
And the money aside  
Let them walk and set it free  
'Cause you're so right  
When they're running it's wild  
Let them walk and set it free
