

## Postal

## Efterklang

I was a postal worker  
From May until July  
I left because of allergies  
The letters made me cry  
8 am on Fridays  
6 am the rest  
Postal for the two months

Coastal for the rest

I kept the last day's letters  
I kept the last day's letters  
I kept the last day's letters  
I kept the last day's letters
