

## Alien

Eggnoise

gotta check the water  
every time I'm left home the flowers go dry  
please notice I'm not laughing  
at the way the police check my summertime

"man, you a junkie, man?"  
-no I don't think I'll testify on that

I got an alien under my bed  
I got a lady under my bed now  
and she's got wings of patience
