Walls Of Innocence

Egypt Central

Chipping away the unity For something we cannot foresee An eye for and eye A tooth for a tooth Til all that's left is the f**king truth

Behind the walls of innocence Echoes the lies they hold within We're losing even if we win Wipe it away to start again, start again.

The tragedy of your deceit Is broken fate in our beliefs The veil has dropped that blinded me If there's no choice are we really free

Behind the walls of innocence Echoes the lies they hold within We're losing even if we win Wipe it away to start again, start again.
