

# Changes

Egzod

I faced myself in mirror not so long ago  
And told me do you know? Told me do you know?  
You are alone in your head  
But you don't have to pretend  
That you will make a change  
Cause you don't wanna change

I'm gonna be really honest this time  
I'm okay with it, I'm more than fine  
I'm gonna role our last red dice  
Now Tell me I won't get out  
Tell me I won't get out

Tell me I won't get out

I wanna walk sky  
Alone among stars  
Without forgetting who I was  
Or have to look back that far  
Cause I don't want to (want to, want to)  
Forget who (forget who)  
And are you (are you)  
Just fucking around in my mind, one last time

I'm gonna be really honest this time  
I'm okay with it, I'm more than fine  
I'm gonna role our last red dice  
Now Tell me I won't get out  
Tell me I won't get out

Tell me I won't get out

Tell me I won't get out

Trap, trap me in your walls  
Now tell that I won't get out  
Tell me I won't get out  
Crush, crush me with all that you are  
Now tell that I won't get out  
Tell me I won't get out
