

Mutiny

Egzod

Shh don't sleep
Go slowly
Shh don't sleep
Go slowly

They was sleeping they would snooze on me
I was dreaming about what food to eat
While they sleep and while they snoozed on me
I was seizing opportunity

Now they don't know what to do with me
I keep on going hard like I'm in puberty
Rebellion's in my blood there ain't no ruling me
Coming for the top this is a mutiny

They bite my shit I want percentage
Punch you in the mouth like fuck your dentist
You never had a chance like an abortion
Poor kid
You don't wanna play with me that's forfeit
Oh shit

Took it to a place they never thought I could
Now the lone wolf is howling up in Bollywood
Now I got some confidence they call me cocky
Punch a fucking tiger in the eye I feel like rocky
I am untouchable I cannot fuck with you
I do not follow rules, makes me uncomfortable
I got all this passion and desire forge my pathway with the fire
Never passive I acquire till I'm crashing the empire

They was sleeping they would snooze on me
I was dreaming about what food to eat
While they sleep and while they snoozed on me
I was seizing opportunity

Now they don't know what to do with me
I keep on going hard like I'm in puberty
Rebellion's in my blood there ain't no ruling me
Coming for the top this is a mutiny
