

Take Charge

Egzod

If wind up searchin
U know where u'll find me
I been on my purpose
Left the bullshit behind me
Not here to play no games
Light it up I spare no flames
The one to try and match my style, him nuh born yet mi gon'
Pon Di Star Trek!

I been having a blast now
Stack it up stack it up fast now
Hop in a-rocket blast off
No hesitation Dedication
Jus look in my eyes (yeah)
Wicked and wicked and wild (yea)
Done kno seh di echelon high
Like bolt Break records and smile
Taking my time
We on da rise
Look at the view
Got the best kush in tha coupe
You heard I been cooking it's true
So I made the pudding the proof
Wanna see galaxies and the stars all up In the roof
So till then pon di mission mi gone, always on the move

I been moving militant
Just like in the Army
Never will u see me run
So mi haffi go the hardest
Anytime u see the Don
Mi nuh inna one bagga talkin
Original Top shotta we nuh tek talk we a take charge!

I'm a shift in the paradigm
A glitch in the matrix
And my vision is lazer focus
On another wavelength
Learning patience
Never waivered only known for
Heavyweight shit
Got my Punches leaving teeth along the pavement
Don't tell me that I made it
Just watch me kill the game then give a statement
Fire a nuh supm u fi play wid
U looking like a moth to a flame
Got a watch It's insane
Tellin me, it's time to watch what u sayin'

I been moving militant
Just like in the Army
Never will u see me run
So mi haffi go the hardest
Anytime u see the Don
Mi nuh inna one bagga talkin
Original Top shotta we nuh tek talk we a take charge!
