

Critical

Somebody tell me how I got this critical
Somebody tell me cause I've felt so wonderful
Now I feel stuck in some kind of a Truman Show
Magical, mystical, it became

Critical, critical, cri-critical, critical
Critical, critical, cri-critical, critical
Critical, critical, cri-critical, critical
Critical, critical, cri-critical, critical
Critical, critical, cri-critical, critical
Critical, critical, cri-critical, critical
Critical, critical, cri-critical, critical
Critical, critical

I don't know your name and what you're doing there
I feel like I've been rolling down the stairs
A while ago everything was wow
While I smashed of the party till I blacked out
But what do you know what I'm going through?
I'd like to see you walking in my shoes
Same old club and the same old house
And the usual people
But all of a sudden it all became

Critical

Somebody tell me how I got this critical
Somebody tell me cause I've felt so wonderful
Now I feel stuck in some kind of a Truman Show
Magical, mystical, it became
Critical
I gotta get rid of what makes this tragical
I gotta break a lower level of alcohol
I must be dreaming I'm in some kind of horror show
Magical, mystical, won't you leave me alone

It turned out this way I think it's time to leave
My head feels like the war in Tel Aviv
If you're alone maybe I'll drop by
Cause tonight I could use an extra eye
I can't figure out what has happened to me
I thought I had a card hidden up my sleeve
A while ago everything was wow
On a usual night out
But all of a sudden it all became
