

New Life

Eiffel 65

Baby !
I need a miracle
I'm searching !
to find a way into a new life
and I'm moving
out of the chances I gave up
I can discover NEW LIFE.

Baby !
It's an emergency
I'm saying
I'm only trying to survive
That's why I'm moving
I 've got the power to make it
I found a brand NEW LIFE.

Baby !
I need a miracle ...
It's an emergency
Please help me baby
It's an emergency
I need to try to survive
It's an emergency
Please try to help me
I need a new life
We only try to survive

Baby !
I need a miracle ...
It's an emergency
Please help me baby
It's an emergency
I need to try to survive
It's an emergency
Please try to help me
I need a new life
We only try to survive
It's an emergency
Please help me baby

It's an emergency
