

# All We've Got

## Eighteen Visions

Once the sun has set,  
I don't think we've got too long.  
It seems that time is burning out of luck and out on us again.  
We might be... everything we wanted to be,  
But I still think we have a chance to make it.

I could be the one you love,  
I could be the one you hold on to when all is lost,  
Lets hold on to all we've got.

I could be the one you love,  
I could be the one you hold on to when all is lost,  
Lets hold on to all we've got.

Were we coincidence?  
Just some luck that started to run out?  
I think were falling out again.  
Feeling empty (all we have is on the line now),  
Can't wait to make it (I don't know but I'm still trying).

I could be the one you love,  
I could be the one you hold on to when all is lost,  
Lets hold on to all we've got.

I could be the one you love,  
I could be the one you hold on to when all is lost,  
Lets hold on to all we've got.

Yeah, Yeah!  
(With all we've got).  
Woah, Woah!  
(With all we've got).  
Yeah, Yeah!

You fill the deepest hole,  
Down to the bottom of my heart.  
I knew that we would make this last...  
I knew that we would make this last...  
I knew that we would make it.  
I knew we'd make this last.  
I knew that we would make it.

I could be the one you love,  
I could be the one you hold on to when all is lost,  
Lets hold on with all we've got.

I could be the one you love,  
I could be the one you hold on to when all is lost,  
Lets hold on with all we've got.
