

Black And Bruised

Eighteen Visions

My days are numbered down on my life
I know I can't quite make it
You've got your crown so quit your fucking around

I've broken you
You've broken me now I'm alone

You let the killer kill me tonight
Wounded I'm down on my knees
You hang around like a fucking disease

I've broken you
You've broken me now I'm alone

Yeah now this world has got me down
It's on my shoulders
Black and bruised I go insane
I go insane

Yeah my mind is gone it's so fucking lost
So please get out of my head
You've leeches on me like a fucking disease

I've broken you
You've broken me now I'm alone

Yeah now this world has got me down
It's on my shoulders
Black and bruised I go insane
I go insane

Yeah now this world has got me down
It's all but over
Black and bruised I go insane
I go insane
I go insane
I've broken you
You've broken me
