

## Mental Repression

### Eighteen Visions

punish me let me down.  
punish me i let you down.  
as i come near the end is here.  
eternal darkness is mine.  
i'm left to suffer.  
this i accept.  
punish me let me die.  
punish me i live a lie.  
steel. lead. concrete. fire.  
which do i choose for my departure?
