

This Machine

Eighteen Visions

I adore the shadow of a dream
Hate to feel, but this is all I need

This is all I need and this is the end
My undoing

I let my motives speak
Excessive and disorderly

I'm so self fucking destructive I can't be denied
'Cos I know I just love the feeling I get when I'm inside

This time cut out my eyes
Can't place you in my mind

And I'm so self fucking destructive I can't be denied
'Cos I know I just love the feeling I get when I'm inside
When I'm inside
When I'm inside

This machine
I can never get enough
This machine
I can never get enough
This machine
I can never get enough
This machine
This machine
This machine
This machine
I can never get enough!

I adore the shadow of a dream
Hate to feel, but this is all I need
This is all I need
I adore...
