

Underneath My Gun

Eighteen Visions

["They Live" sample:]

I have come here to chew bubble gum and kick ass
And I'm all out of bubble gum
Oh Jesus...

There is no mercy for what you've done
And no forgiveness underneath my gun
And it was only just a matter of time until I killed your pride
I killed your pride

Buried by the look in my eyes, by the look in my eyes

And you can't take away what you don't own
And you don't own me I thought you should know
And it was only just a matter of time until I killed your pride
I killed your pride

Buried by the look in my eyes, by the look in my eyes

You don't own me

I know the darkness, I've broken bones
I've been to hell and back but didn't lose my soul
Yeah, you couldn't strike me down
Yeah, I stand above you now
How does it feel?
How does it feel?

I know the darkness, I've broken bones
I've been to hell and back but I didn't lose my soul
Yeah, you couldn't strike me down
Yeah, I stand above you now
