

## Crazy Mixed Up World

Eilen Jewell

Well, I'm a crazy mixed up kid  
And I love to dance like this  
I love to rock and roll  
'Cause [?]

Well, I love to jump and shout  
Yeah, really knock me out  
You give me music with the beat  
And knock me off my feet

I don't care what you heard  
This is a crazy mixed up world  
Crazy mixed up world  
Crazy mixed up world  
Crazy mixed up world  
I'm in a crazy mixed up world

When I loosen up down inside  
My feet begin to glide  
My heart goes bump, bump, bump  
Music makes me jump, jump, jump  
I can't control myself no more  
Music got me on the floor

Well, I'm crazy, ain't you heard?  
I'm in a crazy mixed up world  
Crazy mixed up world  
Crazy mixed up world  
Crazy mixed up world  
I'm in a crazy mixed up world
