

Hooked

Eilen Jewell

I'm hooked
On the way that you look
A fever I never shook
I'm hooked

I'm caught
Up in the way that you talk
Like a high voltage shock
I'm caught

I'm stuck on you
Like a new tattoo
Like a duct tape suit
I'm stuck on you

I'm hooked
Line, sinker, the whole works
Don't know exactly what I took
But I'm hooked

I'm hooked
On the way that you look
A fever I never shook
I'm hooked
