

I'm a Little Mixed Up

Eilen Jewell

Yeah, you said you loved me
Never said goodbye
I know now that just was a lie
I'm a little mixed up
Mixed up about you
I'm just a little mixed up
And I don't know what to do

Yeah, you said you loved me
Gave me stars up above
I thought your daddy
I had all your love
I'm a little mixed up
Mixed up about you
I'm just a little mixed up
And I don't know what to do

Yeah, you used to walk and talk
Darling, jump and sing
But I know now you don't mean me a thing
I'm a little mixed up
Mixed up about you
I'm just a little mixed up
And I don't know what to do

Yeah, I'm just a mixed up, a mixed up
A mixed up fool
Mixed up, baby, all because of you
I'm a little mixed up
Mixed up about you
I'm just a little mixed up
And I don't know what to do

Now, you listen here, daddy
What I have to say
If you don't want me
I'll be on my way
I'm a little mixed up
Mixed up about you
I'm just a little mixed up
And I don't know what to do

Now, listen here, daddy
Won't you come on home?
I'm sitting here crying
I'm all alone
I'm a little mixed up
Mixed up about you
I'm just a little mixed up
And I don't know what to do
