

# Walking with Frankie

Eilen Jewell

Well, I done walked and walked  
I walked my poor self down  
Looking for my baby  
You know he can't be found

I went Lord, oh, Lord  
I said Lord, oh, Lord

If you love me  
Like I do You  
Let us get together  
And be as two

I said Lord, oh, Lord  
I got the mighty good Lord

If I cook your breakfast  
I'll bring it to your bed  
Don't let your friends and relations  
Play that with your head  
'Cause I'm all alone  
And don't you do me no wrong  
I mean from now on

I said Lord, oh, Lord  
I got the mighty good Lord  
I said Lord, oh, Lord  
I said Lord, oh, Lord

I said jump with me, baby  
Walk with me, baby  
'Cause you're driving me crazy

I said Lord, oh, Lord  
I said Lord, oh, Lord  
I got the mighty good Lord

One of these days  
You know it won't be long  
I'm gonna find me a lover  
That I can call my own  
And I'ma walking and a'walking  
I keep walking and a'walking  
From sun up to sundown  
I been looking for my baby  
And he can't be found

I said Lord, oh, Lord  
I said Lord, oh, Lord  
I said Lord, oh, Lord  
I got the mighty good Lord

Goodbye, goodbye  
Yes, I got to go  
Well, I do hope and pray  
We don't meet no more
