Chasing the Serpent

Einherjer

[Verse 1]
An endless circle, wide and deep
What you sow, we will reap
A deeper darkness, veils of sheer deceit
The cycle stuck on repeat

[Refrain]
Behind the hammer, out there on the edge
High upon that slippery ledge
Beyond the runes, the phantom of our youth
Follow the trail to the end

[Verse 2]
You are not blind yet you draw the bow
I guess we're not supposed to know
The truth within my heart and soul
The horn resounds, no control

[Chorus]
Chasing, chasing, chasing the serpent
Yet you are riding the wolf
Chasing, chasing, chasing the serpent
Over and over again

[Verse 3]
Open your eyes and look into the flames
Why are we playing these games?
The broken suffer, how did we come to this?
Is there more to come from the abyss?

[Refrain]
Behind the hammer, out there on the edge
High upon that slippery ledge
Beyond the runes, the phantom of our youth
Follow the trail to the end

[Chorus]
Chasing, chasing, chasing the serpent
Yet you are riding the wolf
Chasing, chasing, chasing the serpent
Over and over again

[Refrain]
Behind the hammer, out there on the edge
High upon that slippery ledge
Beyond the runes, the phantom of our youth
Follow the trail to the end

[Chorus]
Chasing, chasing, chasing the serpent
Yet you are riding the wolf (The wolf)
Chasing, chasing, chasing the serpent
Over and over again
