

Higher Fire

Einherjer

[Verse 1]

To sacrifice
To battle the will
Pay the price
Pale and still
Clear the path
For the hanged man
Hear me now
Turn the wheel
The winds of time
Runes reveal
Wisdom and rhyme
Clear the path
To the gallows
Hear me now

[Verse 2]

Learn the secrets
Hear the past
Make the future
Make it last
Clear the path
For the wise man
Me, here, now

[Chorus]

You stoke the flame
Now watch it burn
Speak its name
Higher fire
You stoke the flame
Now watch it burn
Play its game
Higher fire

[Chorus]

You stoke the flame
Now watch it burn
Speak its name
Higher fire
You stoke the flame
Now watch it burn
Play its game
Higher fire
