

# Sparkling

Eisley

Sitting here on the front porch  
Loving on you, loving on me

Watching fireflies in the dark, oh  
Sparkling on you, sparkling, oh how they fly  
How they fall  
Oh, how we fly  
How I...

Fall oh like a sparrow  
To the ground I'm upside down  
I sing like a thunderstorm  
My notes are rolling out  
Up and down I'm on the ground

As we walk I start to ignite  
You don't seem to mind, it's alright  
People stop to stare at how we  
Scorch the pavement, we burn so bright  
How we...

Fall oh like a sparrow  
To the ground I'm upside down  
I sing like a thunderstorm  
My notes are rolling out  
Up and down I'm on the ground

Sparks in my hair  
Now I explode  
Kindly, you gather the shreds of my soul  
And as we burn  
Watch daylight return  
As you scatter me far from the world  
As I...

Fall oh like a sparrow  
To the ground I'm upside down  
I sing like a thunderstorm  
My notes are rolling out  
Up and down I'm on the ground
