

Fairy Tale

Ekali

Life is a fairytale

Life is a fairytale
Till I'm praying for safety
Screaming
Life is a fairytale

Felling my limits and I'm okay with it
I'm only a second from losing my mind, I can tell
This room has a rhythm, so I'm moving with it
The human condition of spinning like a carousel
Minute by minute, I'm checking my vitals
To see if I'm living or barely surviving this life
Twisting the spiral, I'll stay here a while
The risk of a dream is what's keeping me feeling alive

Here it all seems fine
All in my head
How could my heaven be sitting so close to my hell?
Life is a fairytale
Till I'm broken in pieces
Bleeding
Life is a fairytale
Life is a fairy
Tale
Life is a fairytale
Till I'm praying for safety
Screaming
Life is a fairytale

Here it all seems fine
All in my head
How could my heaven be sitting so close to my hell?
Life is a fairytale, tale, tale, tale tale, tale, tale
Till I'm broken in pieces
Bleeding
Life is a fairytale
