EKKSTACY

So I'm back at the black tree
Back at the black tree
Back at the black tree
Woah

I'm planting my seed
Underneath
The black tree
The black tree
I'm planting my seed
Underneath
The black tree
The black tree

The black tree
The black tree
Oh

I think to much
You left my head fucked up
So I'm back at the black tree
So I'm back at the black tree
So I'm back at the black tree
So I'm back at the black tree

So I'm back at the black tree
Back at the black tree
Back at the black tree
Woah
