

Crushed

EKKSTACY

I'm falling from above
And all I ask
Is you will stay
I don't wanna know
I'm falling from above
And all I ask
Is you will stay

Crushed pills on my nightstand
Six beans in my right hand
Tell me why I'm bleeding again
I don't wanna see the end
You left me broken
Just tell me something
Pills on my nightstand
When will this night end

(I don't know)
(I don't wanna know)

I don't wanna know
I'm falling from above
And all I ask
Is you will stay
Crushed pills on my nightstand
Six beans in my right hand
Crushed pills on my nightstand
Six beans in my right hand
