EKKSTACY

Now you say you're lonely
No-No-Now you say you're lonely

They say, "Stacy, go away"
I bleed everyday
Losing hope of happiness
The world is fuckin' great
They say, "Stacy, go away"
I bleed everyday
Losing hope of happiness
The—fuck!
They say, "Stacy, go away"
I bleed everyday
Losing hope of happiness
The world is fuckin' great
They say, "Stacy, go away"
I bleed everyday
Losing hope of happiness
The world is fuckin' great

I know you hear me, you don't have to lie
Feel like a touchy, I'll go through your eyes
I got the [?], see your demise
Definitely dark so why you cry
[?], never succeed
I hate my life 'cause I'm from the creek
I hate my life 'cause I'm from the creek

They say, "Stacy, go away"
I bleed everyday
Losing hope of happiness
The world is fuckin' great
They say, "Stacy, go away"
I bleed everyday
Losing hope of happiness
The world is fuckin' great
They say, "Stacy, go away"
I bleed everyday
Losing hope of happiness
The world is fuckin' great
They say, "Stacy, go away"
I bleed everyday
Losing hope of happiness
The world is fuckin' great
