

# i want to sleep for 1000 years

EKKSTACY

Yeah

I want to sleep for a thousand years  
When it gets dark, everyone disappears  
It's okay, it's fine, you care sometimes  
I'm too rare, I'm too hard to find

Hey, hey, hey, hey  
Yeah, yeah, yeah, yeah

I drink a lot, I'm fucked up  
It's the only thing I love, I'm so dumb  
Let's hangout by the docks, that's my favorite place these days  
No one ever talks to me anymore, it's hard, I'm okay
