EKKSTACY

Let's get out of here
It's been so long, more than a year
I don't wanna say goodbye, but goodbye
And I never sleep at night, you know why?

It gets hard, it gets hard, oh
It gets hard, it gets hard

Let's get out of here
It's been so long, more than a year
I don't wanna say goodbye, but goodbye
And I never sleep at night, you know why?

It gets hard, it gets hard, oh
It gets hard, it gets hard
