

then i met her

EKKSTACY

(Oh, oh)

(Oh, oh)

I've been thinking too much, too much
I got a lot on my mind
Wake up, I don't wanna do that half the time
And then I met her one night

And it all slows down
And it all slows down

(Oh, oh)

(Oh, oh)

(Oh, oh)

(Oh, oh)

Nothing makes me happy, happy
But when you knock on my door, I smile
I hope you stay awhile
I hope you stay

And it all slows down
And it all slows down

(Oh, oh)

(Oh, oh)

(Oh, oh)

(Oh, oh)
