

# Tonight!

EKKSTACY

I can't save myself tonight, woah  
I'll enslave myself tonight (Ayy, yuh)  
I can't save myself tonight, woah  
I'll enslave myself tonight (Ayy, yuh)

They say they love me but I know they don't (Yuh)  
All by myself but I've been on the road (Ayy)  
I'm gonna blow up put that on my soul (Yuh)  
All of this hatred is taking its toll (Ayy)  
Feeling lost tonight, I'm going off tonight  
See the demons in the dark, I'll be alright  
Yeah, I think I'll be alright  
Yeah, woah

I can't save myself tonight, woah  
I'll enslave myself tonight (Yuh)  
I can't save myself tonight, woah  
I'll enslave myself tonight
