

Why, Why?

EKKSTACY

CRCL

Outside I'm sorry
But you don't see
They say they love me
But they don't mean it
Why, why?
Why lie?
I'll try to find Nirvana
I'll take the hard way to find 'ya
Why, why?
Why lie?

Outside I'm sorry
But you don't see
They say they love me
But they don't mean it

Why, why? (why?)
Why lie?

I'll try to find Nirvana
I'll take the hard way to find 'ya

Why, why?
Why lie?
