

# Don't Say It's Over

El DeBarge

[Verse 1:]

You act like I'm some kind of stranger  
You don't even know  
Turning away, away from me now  
You're trying to go  
Forgive me, if I seem a little elected  
To just let in me  
When you're walking away  
With all I'm living for  
Well, what am I to do?  
Just open the door

[B-Section 1:]

Well, there's something I just can't do  
(I can't do)  
And it won't be a life, baby  
Living my life without you

[Chorus:]

Don't say it's over now  
Don't say it's over, it's over  
Don't walk away right now  
Don't go, don't go, no-oh  
Don't say it's over now  
Don't say it's over, it's over  
Don't say it's over

[Verse 2:]

Feels like I'm standing alone  
On the edge of the night  
Suddenly I'm realizing  
I have no place in your life  
Searching my heart  
Just to find the right words  
To touch you again  
No, you just don't care  
And there's nothing that I can say to you now  
To turn you around

[B-Section 2:]

How can you be so damn cold  
(Be so damn cold)  
When I'm still holding on, baby  
How can you just let go

[Chorus:]

Don't say it's over now  
Don't say it's over, it's over  
Don't walk away right now  
Don't go, don't go, no-oh  
Don't say it's over now  
Don't say it's over, it's over  
Don't say it's over

[ad-lib over sax solo]

[B-Section 3:]

Oh, I wish this was just a bad dream  
(Just a bad dream)  
Or I wish I could wake up and find  
And you're still wanting me

[Chorus: then with sax solo]  
Don't say it's over now  
Don't say it's over, it's over  
Don't walk away right now  
Don't go, don't go, no-oh  
Don't say it's over now  
Don't say it's over, it's over  
Don't say it's over now

(Don't say it's over now)  
Oh... oh... oh... oh...  
(Don't say it's over, it's over)  
Oh, don't say it's over  
(Don't walk away right now)  
Don't go, don't go-oh-oh-ooo-oh-oh

[Outro: with sax solo]  
(Don't say it's over now)  
(Don't say it's over, it's over)  
(Don't walk away right now)  
(Don't say it's over now)  
(Don't say it's over, it's over)
