Lets play interrogation it goes whats your name?
I call you rotating one eighty
Face down, undulating
Adjust the angles of your presentation to me higher
Hold that position while I...
The other games you played are over for you now I promise
There's nothing coy behind these walls, nothing less than honest
Please sign this document attesting voluntary process
You wouldn't acquiesce to this probe if you still didn't want it

We've got our ways to make you speak
We've got our ways to make you talk(2x)

The safety word is yes, try it, yes
I'll restrain you for your protection now do I have your consent for this? yes
Funny how an hour ago you were lying
You wanted to come clean to me the moment we met is that also correct? yes
I know its tough to spend your whole day hiding
I know control is what you thought you wanted, thought you had, correct? yes
You've been sitting on a secret literally
Just beneath that dry disguise you're soaking wet

We've got our ways to make you speak
We've got our ways to make you talk(2x)

Tell me what I want to hear(4x)
