

Coming Down The Hill

El Perro del Mar

I'm coming down the hill
Coming down the hill
I got some good news
I got some good news
I got some good news

I'm coming down the hill
I'm coming down the hill
I got some good news
I got some good news
I got some good news

I'm coming down the hill
I'm coming down the hill
I lost the blues
I lost the blues
I lost the blues for you

For you
For you
For you

I'm coming down the hill
Coming down the hill
I lost the blues
I lost the blues for you

For you
For you
