

Ding Sum

El Perro del Mar

Pics of girls and ads of boys
Hit you, hit you as you go
There's a notice for your heart
To want a bit of what they got

Gimme it, gimme all

You got robbed
Listen, you got robbed
But it's not
It's not your fault

You got robbed
Listen, you got robbed
But it's not
It's not your fault

Ding ding ding sum
Ding ding ding sum
Ding sum

It's a ding ding ding sum
Ding ding ding ding sum
Ding sum

Ads of girls and pics of boys
Hit you, hit you where you go
They got a notice for your heart
If you got bones you need to shop

Sell me it, sell me all

You got robbed
Listen, you got robbed
But it's not
It's not your fault

You got robbed
Listen, you got robbed
But it's not
It's not your fault

You got robbed
Listen, you got robbed
But it's not
It's not your fault

And think of all the things I don't want
I think of how unhappy these things will make me
And then I'm free
