

Dreamers Change The World

El Perro del Mar

Measure me by numbers
Measure me by likes
Treat me like a business
Use me to chill out
I am one of those who sits wasting all my time
But I'm also one of those you hold as the icing on your life
Value me by my triumphs
Value me by greed
The bigger-the better-pushing forward yeah
'Cause that's what you can see
I am one of those you call dreamers useless fools
Yeah I may be a dreamer - just don't call me a fool

'Cause dreamers, dreamers change the world
Dreamers change, change the world
Dreamers, dreamers change the world
Dreamers change, change the world
Dreamers, dreamers change the world
Dreamers change, change the world
Dreamers, dreamers change the world
Dreamers change, change the world
Dreamers, dreamers change the world
Dreamers change, change the world
Dreamers, dreamers change the world
Dreamers change, change the world
Dreamers, dreamers change the world
Dreamers change, change the world
Dreamers, dreamers change the world
Dreamers change, change the world
Dreamers, dreamers change the world
Dreamers change, change the world
Dreamers, dreamers change the world
Dreamers change
