El Perro del Mar

Boy, let me know
Are we happy, are we happy
Oi, let me know
Are we happy, are we happy

Happiness, whatever it is, its not enough
It seems to me
Living like this is not enough

Happiness, whatever it means, it's not enough
It seems to me
Living like this is not enough

I know, you've given it all
I'm just trying to recall

Boy, let me know
Are we happy, are we happy
Oi, let me know
Are we happy, are we happy

Happiness, whatever it is, its not enough
It seems to me
Living like this is not enough

I know, you did it for love
And like me you're trying to be all

Boy, let me know
Are we happy, are you happy
Oi, let me know
Are we happy, are you happy

Oh, boy, let me know
Are we happy, are we happy
Boy, let me know
Is it over for you, honey
Was that all for our family

Boy, let me know
Are you happy
Are we happy

Ain't it funny, ain't it funny, honey
When we had nothing we wanted it all

Ain't it funny, now we have it, baby
Now we have it we want back to the start

Ain't it funny, ain't it funny, honey
When we had nothing we wanted it all

Ain't it funny, now we have it, baby
Now we have it we want back to the start
