

How Did We Forget?

El Perro del Mar

It's easy, babe
It's easy, babe
It's easy, babe
To make it hard
It's easy, babe
It's easy, babe
It's easy, babe
To make it hard
It's easy, babe
It's easy, babe
It's easy, babe
To make it bad
It's easy, babe
It's easy, babe

It's easy, babe
To make it bad
Easy, easy, easy
Don't make it bad
Easy, easy, easy
Don't make it bad
How did we forget about the love
Forget about the love
How did we forget about the love
Forget about the love
Babe, babe, babe
